The appointment has been approved by the TSXV and the agreement commenced on October 1st, 2018.

Aethon and Market Making Services act at arm's length. Market Making Services will not be paid in shares or options of Aethon. The capital used for market making will be provided by Market Making Services.

### **About Aethon Minerals**

Aethon Minerals is a mineral exploration company focused on creating value in the base metal space with an emphasis on copper mineral assets in Chile. The Company has consolidated a very large prospective land position consisting of over 130,000 hectares along prolific mining belts located in the Antofagasta and Maricunga regions of northern Chile. The Company also has an option agreement to acquire a 100% interest in the highly prospective Llanos De Llahuin project situated in a region with excellent access and existing infrastructure. Aethon believes it is uniquely positioned for growth and is actively pursuing selective copper-focused growth opportunities. Aethon is based in Toronto, Canada, and is listed on the TSX-V under the symbol "AET".
